

Nicolet Search Team

Always Ready, So That Others May Live

March 2005

A reminder, **NO** meeting in March, our next scheduled meeting is April 9th, 2005.

At the April meeting, we will be pre-planning our search exercise for May in Wabeno. Vera has been missing for 2 years and since it is almost in our backyards, we need to make some effort to put this to ease.

Also for April, we have been asked to participate in a search of a different kind. The Historical Society along with the National Forest Service will be conducting a historical search, tentatively scheduled for April 16th and/or in May, for some pictographs that were last located in 1920 along Old 64. We have been approached to participate. More info as things evolve.

For those of you coming from out of town, there is always a place for you stay, just contact Andy ahead of time, you will need your sleeping bag and your food items.

Team Web Site

Matt has been working on updating our web site. Check out what he has got done so far. Give him some suggestions. All the newsletters are posted, you will need to get a user name and password from Matt.

Another web site to check out is NASAR's at nasar.org. Matt has included a few links to various teams around Wisconsin. If you have not taken the time to check out their web sites, winter is the time.

Search Missions

We were asked to participate in a missing car accident victim near Athlestaine, but was found about the time we got going..

New Members

We have 2 new members, Mike Rzepka and Amber Wozniak. Keep in mind that our ranks have thinned over the past year, so if you know of anyone who might be interested, be sure to ask them.

Training

We have discussed training needs within the Team. We now have new to experienced members all requiring different training needs. For the new members, you need to get Module 1 completed, for everyone else, we need to get the rest done. As a searcher you need to get as many skills and as much knowledge that you can. The more skills you have, the more valuable a member you become.

We will be discussing other training nights for the Team Specific Modules and using our Saturday meetings for general training, such as setting up the search in Wabeno this spring.

If you are interested in attending training outside of the Team, such as a NASAR class somewhere else in the State or Country, please bring it to the attention of the Team.

Fund Raisers

We are scheduled for several fund raisers this year, get them on your calendar.....NOW

- June 22nd, 2005, Lakewood Super Valu
- July 9th, 2005, Lakewood Super Valu
- August 6th, 2005, Lakewood Super Valu

Just be - Always Ready, So That Others May Live...

Mark your calendar for June 18th, 2005. Yep, the Run/Walk. This is an easy way for our team to get some money. The first year it was \$450, last year it was \$650, and for about 3 hours of handing out water and having fun, I think we can call this a good fund raiser. It also allows us to get into the public eye, so mark your calendars and plan to be there.

Officer Elections

Results of officers elections are as follows:

Andy	President	Training - Andy, Jesse, B.J.
B.J.	Vice President	Medical - April
Jesse	Secretary	Ways and Means - Don & Carol B.
Lynn	Treasurer	Equipment - Lynn & Jesse
Don B.	Director at Large	

If you have not updated your records, you need to get with Jesse or April. Emergency Medical Data and Joining requirements.
