

NICOLET SEARCH TEAM MINIMUM EQUIPMENT LIST- MOUNTED SUPLEMENT

The following equipment is commonly compiled to form what is referred to as a "Mounted Search 4-hour ready pack". Such a pack holds those additional items that would allow the holder and horse to function in a safe, effective, and efficient manner during a SAR incident. Some items may be carried on a belt, in pockets, strapped to the person or in saddle bags. This equipment should be carried on all missions in rural or wilderness areas and is considered the minimum amount
