Team Training

We have arranged to have a National Association Search And Rescue (NASAR) instructor come in September and October for the Introduction Search & Rescue (ISAR) & Fundamentals Search & Rescue (FUNSAR) course's. The class size will be limited to 12 students. Our Team has first option to fill slots. There will be no cost to you, the Team will pick those up. Training location will be Bear Paw Scout Camp

We need a commitment from you as to your attendance by August 13th.

Here are the dates: September 9th & 10th 9:00am - 5:00pm
 September 24th & 25th 9:00am - 5:00pm
 All Weekend - October 8th & 9th 9:00am Saturday - 3pm Sunday

After August 13th, we will be advertising to all other Wisconsin SAR Teams to fill the extra slots. The ISAR course is the first weekend and the FUNSAR is the last two. If you attend just the ISAR, there is a test for \$10 that will earn you the SARTEC III certification.

The FUNSAR is in preparation for the SARTEC II test. We are still in the process of setting up a SARTEC II test which will be held in October. That test usually is held on a Saturday and takes all day.

Search Missions

Just as the Mardi Gras Parade was to start, we get a call for a missing 7yr. Old, so we blast through the parade route tossing t-shirts, pregnant women in the back of the truck screaming to slow down, we get to the end of the parade and we get a call they find him. As Porky Pig say's "That's all folks".

New Members

Steve Smitts from the Appleton area has joined. Keep in mind that our ranks have thinned over the past year, so if you know of anyone who might be interested, be sure to ask them.

Identification Badges

We are doing badges at August meeting. Be sure to bring your best pose. All members are required to have badges. We have a laminator that we can do badges on scene also.

Labor Day Parade - Suring

We have talked about this several times. We plan to do the Suring Labor Day Parade. Anyone interested in walking down the street and passing out suckers to all the kid's, please let Andy or Jess know as soon as possible.
