Team Training

Mark on your calendars, October 25th, 2003. Headwaters Search & Rescue Team will be conducting training at Bear Paw Scout Camp that weekend. Our training committee has set up Team training in conjunction with Headwaters on that day. Please plan to attend. The training should be about 4 - 6 hours long, so you should have plenty of time left in the day. We will get started about 0830. Bring all you gear and get ready to go a looking.

Team Roster

On the back side, please find the Team Roster. If there are any changes that need to be made, please let Andy or Tim know. This is the only way we have of contacting you during a callout. The easiest way is to e-mail Andy @ elmera@ez-net.com.

New Members

We have three new potential members, April & Jesse Landwehr and also Matt Miller. Short of the necessary voting, they are all pumped and ready to go. When you see them, give them a big welcome.

Alert Procedures

Alerts will be made a little different, as some of you may have noticed. We will use a computer forwarded voice mail when ever possible. This will allow us all time to get mobilized. Please let Andy know the phone number(s) you would like added to the database.

Fund Raiser's

A big thanks to Don & Carol B., Don S., Tim, Lynn, Jesse, Matt and Andy for the fund raiser at the Lakewood Super-Valu on October 11th. We were able to raise \$315. We also raised \$68 at the brat fry at the Shawano Walmart. We decided that the local fund raisers worked the best.

Remember - It's getting cold out there, be sure to have your winter gear ready to go. Add that extra candy bar to your pack, that extra pair of socks and the that orange stocking cap...

Just be - Always Ready, So That Others May Live...
